

Attendee List At A Glance 2022

COMPANY	JOB TITLES
3M	Battery System Architect
3M	VP of R&D AASD
A&D Technology	Engineering Director
A&D Technology	Software Engineer
AAM	Executive Director, Innovation
ABS	Sr. MFG Engineer
AKG	Engineering
Albemarle Corporation	R&D VP
Amazon	Sr. Manager EV infrastructure
Amazon	EV Battery Safety - Sr. Manager
American Axle & Manufacturing	Executive Director of Engineering
American Battery Factory Inc	CFO
American Battery Solutions	Dir. of Battery Tech
American Honda Motor Co., Inc.	Senior Engineer
American Honda Motor Co., Inc.	Assistant Chief Engineer
American Lithium Energy	CEO
Amprius Inc	Cell Manufacturing Manager
AMSCO U.S. INC.,	Vice President
Amsted Automotive	Director of eMobility
Applied Fluid Power	Engineer
Aptiv	Director - Electrification
APTIV	Automation Engineer
Archer Aviation	Senior Mechanical Engineer
Argonne National Lab	Senior Materials Scientist
ATS Automation, Inc.	Vice President Mobility
Avery Dennison	Sr Design Engineer
AVL	Chief Engineer
BAE SYSTEMS	Sr. Principal Engineer
Battle Motors	Design Engineer - Battery
Bauer Controls	Systems Engineer
Bergstrom	Principal Engineer
Beta Technologies	Mechanical Design Engineer
Blue Bird	SVP Electrification
BMW	Senior Battery Engineer
Bollinger Motors	HV Engineer
Bombardier Aerospace	Engineering Manager
BorgWarner	R&D Engineer
BorgWarner	Global Manufacturing Engineer
Bosch	Senior Application Engineer
Caliente Ilc	VP of Engineering
Calumix Technologies Inc.	Mechanical Engineer
Camel Energy, Inc.	Battery System Engineer
Caterpillar	Engineering Specialist
CATL	Quality Engineer
Cellink Corp	Design and App Engineering Manager
Clarios	Controls Engineer
Coherent	Lead R&D Engineer
Corvus Energy	Team Lead - Mfg Engineering
Crown Equipment Corporation	Systems Engineer
Cummins Battery Systems North America	Director, Adv. Battery Eng.

COMPANY	JOB TITLES
Daimler	Materials Engineer
Daimler Truck	Manufacturing Engineer
Daimler Truck	Director - Powertrain Mechanics
Dana	Lead Systems Engineer
Dana	Advanced Product Engineer
Danlaw Inc.	VP of Engineering
Delorean Motor Company	Dr. Platform Engineering
DeLorean Motors	VP, Engineering & PMO
Denso	Materials Engineer
DENSO International America, Inc.	Director, Engineering
Department of Energy	Project Engineer
Detroit Diesel Corporation	Materials Engineer
DevMidwest LLC	Robotics Engineer
Dexter	Engineering Director
Dobbs Truck Group	Director of EV Mobility
Dow	NA Technical Leader - Mobility
DSM	Application Development Engineer
DuPont	Application Engineer
DuPont	EV Propulsion Engineer
Dynamic Manufacturing	VP Engineering
Dynamic Manufacturing	Battery Engineer
EaglePicher Technologies, LLC	Senior Project Engineer
Eastek Holdings LLC	VP Engineering
Eaton	Chief Engineer
eCAMION	Mechanical Engineer
Embraer	Process Development Engineer
Enerdel	Sr. Director of Engineering
Energizer Holdings	Sr. Staff Engineer
Excel Engineering	Test Engineer
ExxonMobil	Product Engineer
Flex N Gate	Director of Engineering
FLEX TECHNOLOGIES INC	Director of Engineering
Ford	HV Mech Systems Engineer
Ford	Battery Structures Engineer
Ford	Battery Engineer
Ford Motor Company	Engineering Technologist
General Atomics ASI	Engineering Director
General Atomics ASI	Propulsion Engineer
General Dynamics	Electrical Engineer
General Motors	Battery Engineer
General Motors	Development Engineer
General Motors	Cell Integration Engineer
General Motors	Cell Design Engineer
General Motors	Advanced Battery Engineer
GHSP	Advanced Process Engineer
GKN Automotive	Vehicle engineering technician
G-TEKT North America Corporation	Engineer
HaF Equipment	Chemical Engineer
Hanon Systems	Materials Engineer
Henkel	Application Engineer

Attendee List At A Glance 2022

COMPANY	JOB TITLES
Hercules Electric Vehicles	Chief Engineer
Hexagon Purus	Mechanical Design Engineer
Honda	Assistant Chief Engineer
Honda	Test Powertrain Engineer
Honeywell	Engineering Director
Hutchinson FMS	VP of Engineering
Hybrid Design Services	Engineer
Hyundai America Tech Ctr	Propulsion system engineer
Hyundai-Kia America Technical Center Inc	Materials Development Engineer
Hyzon Motors	Sr. Dir. of Platform Engineering
Jacobi Motors	Mechanical Design Engineer
John Deere	Senior Battery Design Engineer
Joyson Safety Systems	Director - Global Engineering
Kadant Solutions Division	Manufacturing Engineer
Kalyani Mobility Inc.	Chief Engineer
Lear Corp	Chief Engineer
Lear Corporation	HV Application Engineer
LG Energy Solution	Design Release Engineer
LG Energy Solution	Test and Validation Engineer
LG Energy Solution	Sr. Material Engineer
Linamar	Product Engineer
Link Engineering Company	Sr. Test Engineer
Lordstown Motors	Validation Engineer
Lordstown Motors	Battery Systems Engineer
Lucid Motors	Lead prototype technician
Lucid Motors	Battery System Engineer
Mabuchi Motor America Corp.	Application Engineer
Magna	Director, Electrification
Mahindra	Chief Engineer
Marelli NA	Materials Engineer
Mazda North American Operations	Engineer
McClure Metals	Engineering Design
Mercedes-Benz R&D	Battery Engineer
Meritor	Project Engineer
Microsoft	Director, Battery Technologies
midway chevrolet	Ev technician
Mitsubishi Electric Automotive America, Ir	Director Advanced Engineering
Mitsui Chemicals, Inc.	Researcher battery material
Moog Inc.	Project Engineer
Navistar	Sr. Cell Engineer
Navitas Systems	Software Engineer
Nikola Motor	Technical Specialist Battery
Nissan North America	Senior Project Engineer
Nissan North America, Inc.	Director, EV Energy
Nissan Technical Center North America	Battery Researcher
Novares	Engineering Director
Ontario Energy Board	Policy Advisor
Oshkosh Corporation	Chief Engineer - Electrification
Panasonic	Assistant chief
Photocentric	Lead Battery Scientist

COMPANY	JOB TITLES
Photon Automation	Electrical Design Engineer
PIA Automation	Mechanical engineer
PIDC	Battery lead
Polaris	Electrification Engineer
Pratt Miller	Chief Engineer
PRETTL SWH	Dir. Engineering E-Mobility
PROTEAN ELECTRIC	Senior Engineer
Proterra	Sr. Battery Module Engineer
Rad Power Bikes	Battery Systems Engineer
RAYN Technology	VP Engineering
ReJoule	Battery Algorithms Engineer
Renasas	Principal Engineer
Rhombus Energy Solutions	Quality Engineer
Ricardo Inc	Global Head Systems Engineering
Rivian	Battery Engineer
Robert Bosch LLC	Engineer - Electrification
RoMan Manufacturing, Inc.	Director Of Engineering
Rosenberger	Engineer
Roush	Electrified Powertrain Engineer
SABIC	Engineer
Samsung SDIABS	Verification Engineer
Sandia National Laboratories	Engineer
Sandvik	VP Engineering
Schaeffler	Electrical Engineer
SDI	Engineer
Sensata Technologies	Engineering
Shell	Sr. Research Engineer
Shilla USA Inc.	Director of Engineering
Siemens	Electrical Development Engineer
SpaceX	Sr Battery Engineer
SpaceX	Lead Power Components Engineer
Sparkz, Inc.	Test Engineer
Spear Power Systems	Senior Mechanical Engineer
Stanley	Team Lead Engineering Systems
Stellantis	Chief engineer
Stellantis	Head of Battery Development
Subaru of Indiana Automotive	Manufacturing Engineer
Taiga Motors America	VP Electrification Operations
Tesla	Engineer
Texas Instruments	Applications Engineer
Toyota	Principal Engineer
Toyota	Battery Design Engineer
U.S. Department of Energy	Project Engineer
US Army	Energy Storage Branch Chief
Volkswagen Group of America	Sr. Engineer
Volta Power Systems	VP Advanced Engineering
Volvo cars	Senior Cell Engineer
Wartsila	Principal Battery Engineer
Yazaki	Engineer - HV Power Distribution
ZEISS Industrial Quality Solutions	Applications engineer
